

Old School Friends, **two Mums including mine wanted me to date ROSE** a unique, rare and precious LOVE opportunity for me IN OXFORD, in times of confusion, for me, but she refused. Speed dating in Oxford **around Oct.2008 I've learned she met... XY and told to XY, XX and YY, my Story/connection to her...!!!**

AND THE CRAZY THING (retrospectively ROOTING my abuse in the following Group Psychoanalytical fact – revealed by my graph) is that XY/XX HAVE NEVER MADE ME MEET HER, but I know she kept contact with XX until at least summer 2012!!! This has INTENTLY broken a potential Link between Me and Rose, that could have revealed the abuse, its insanity, and its untellable motive!!!

It is extremely probable, that **Metaphorically**, ROSE and Me were used as Laboratory Rats for XY and XX for years so to in Secret, “study us” inasandy (as a way to have “fun”) witnessing the destroying effect our identity crisis can have on “Loving”, which is proper to ROSE and My Cultural POSITION – not to be Judged!!! Metaphorically, **this is like if they had been putting us in two separate cages**, so to test us and understand the two “Aliens”, seeing us “struggling” and exchanging Naively our Life experiences to them without involving us AND/OR caring for us in return, BECAUSE they were building instead **the INSANE strong Cultural Prejudice manifesting in Systematic Abuse, incoherently. XX** involvement in it was DELIBERATE between 2008-2012, XY had started day one I arrived (2005), all this hidden by Freindly attitude (but aimed at emotional control) proper to the Abusers and so hard to dispute.

I've understood, by 3 years spend breaking bounds with ALL (summer 2012-now) **XX/YY build had build (consciensously or not is not my problem: THIS IS CRIMINAL!!!) a Lifetime HATE MACHINE against US** (ROSE and Me) both in Life (XY leading), and AT WORK(XX, leading) – through INSANE, hidden, long term PURELY NASTY flow of Cultural Prejudice (here) rooted in them **having a deeper arbitrary hatred for any kind of kinder “different people” they may meet in the aim to dominate them. XX** continuous abuse whatever its strenght today, (despite my many warning) showing the Evil nature of the machine, which can hit ANYTIME AND NOT ONLY ME! See indeed, how the Nature of the bound (arrows color and strenght) between Me/XX mirrors ROSE/XY kept Secret. And notice, how MONA LISA POSITION is/been made almost like ROSE! mischevously set in the verge of being Lifetime ABUSED!

Revealed Graphically, Abstractly beyond (but using) all the statement made and behavioural FACTS, impossible to Judge if not Reframed into this Big Picture, in my opinion. Need to call GOD! Mum, or ROSE!
