UK Neutron and Muon Science and User Meeting

Tuesday 26 July 2016

The UK Neutron and Muon Science and User Meeting will take place 26-28 July 2016 at Scarman House, Warwick Conference Centre.

The UK neutron and muon science and user meeting is an opportunity to hear about the latest science from ISIS and ILL, plus updates from facilities and other matters of interest to facility users. This year's meeting will be similar in format to that held last year. It will include a student day, a day dedicated to neutron and muon science in key areas and a user meeting including facility updates.

More information on the meeting can be found [here](#) and a link to registration can be found [here](#).

2013 UK Neutron and Muon Users Meeting (NMUM) 8-9 April 2013, University of Warwick
