Email à une Artiste Ukrainienne New Yorkaise :

Did you come to Montrouge france to meet or mourn FEMEN Oksana Shakho by chance?

I ask you this, "IN A STATE" I hope you'll excuse me, so... sorry for the spat of words, it's been years, I'm fighting censorship!

MUSLIM CALL

1) I live in an appartement in Montrouge at the outskirts of Paris, belonging to my DAD

2) I moved in back Oct 2022, and recently found openning the sofa bed that I never use, a Bording pass of an EasyJet Venice to Paris flight at your name dated 23rd Sept without year, booking number ER5VMMH

3) I have communication issues these days with the whole world, because of things I discovered about Charlie Hebdo that could put the gouvernement down... , so my dad cannot help me to verify if it's you, who came to visit the previous occupier, an indian Guy named Hasnain Tashen who was renting from about 2015/2016, with a kid apparently as there were few toys together with the pass

4) It's Charlie Hebdo who corrupted Ianna via Caroline Fourest who organised a vast Islamophobic network I CAN PROVE TO BE CONECTED to the GVT in a plan to corrupt frenc education of Laicity AND sexuality (check in french news, the "Mariane funds scndal"), and this is what "killed" Oksana, who committed suicide because of that! In other words, I have scrutinised all the press about Charlie and Femmen and know them better than themselves!

4) the INTERNAL rather CONFIDENTIAL betrayal of the FEMEN is just but the reflect of how Russia and USA are ripping Ukraine appart, using Muslims Sexual/Veil problem largely manipulated by medias (nowadays, with the "Iranian revolution"), as Bouc Emissaire preventing any nuance discussion about muslims,

5) plying with the Muslim internal eternally dommed fate, because if Shism has thorn Islam just but two generation after Mahomet, when the Christian waited 1000 years it because only Islamophobic Litterature notices, that Muslim faith and the Q'uran, is just but a Mystification & Compilation of previous beliefs by Mahomet adding/contaning a code of conduct of what you should do or not (much more, than the THora and the Bible): rites, eating habits mostly meant to distinguish to previos religions, adapting their implicit MONOGAMOUS Spirituality, to the BEDOUIN POLYGAMY, source of the infamous sunna, whose "interpretation" is the charia (dommed, from these premises, if you believe that polygamy is SINFUL!) and which include the Historic life of Mahomet, as not a MODERN example to follow... Mahomet in the Muslim mind, mostly shines as a Warrior of/ the Servant GOD you have to inspire from, not a Cleric, and modern

Muslims are imposing Sharia despite the fact it can only lead to anachronistic dictatorship because it is the only way for a country dominated by Muslim Heritage, to "dream of the Original unity" Mahomet has created and that has in reality lasted no more than 100 Years! In other words, the success of Mahomet was to claim the INFALLIBILITY of Q'uran, but all in all in the end, it's REALLY a BAD joke from a spiritual perspective that has lasted well long enough, in made up fights for a fantasized unity that CANNOT come, ill defined from start!

6) Not understanding point 5) is what for Petrol Interests, is ripping the world apart the last 20 years, by CIA and KGB manipulation : in other words, the West has good reason to not educate the Muslims on their inherent theological contradictions, because it's a good source of War revenues : they're so easy to ignite, and Muslims are so stupid...! especially if.. all Love Emancipated westerners, here (righteously, but in a despising way that do not help to open Muslim's eye on the superchery, by insisting on Mahomet's alleged Pedophilia with Aisha): and here, they take profit of the fact that apart from fanatics or Theocratic State leaders, 99% of the Muslims of the world have no POLITICAL = RELIGIOUS power, and in fact and reality, practice the Religion and or Feodal rites associated without really believing in them, but because there's a whole load of TRADITION making communities work sustainably delegating (marriage, birth, death) to a TRADITIONAL Islam that's often pure Folklore and in fact totally harmless : western combining communitarianism and radical islam as the same threat also make here an amalgam meant to favor Securitarian Politics, not helping peaceful muslim communities like Mine to "show a western friendly" Muslim attitude, as one step before a final and necessary eradication, simply by increased Education and assimilation of cultural tradition (we are Indian with a wonderful Cuisine) stripped from Muslim empowerment!

6) Opportunity to say, that I personally do not understand the Q'uran because my mother tongue is an Indian Dialect (Gujrati) and westernisation has made me even looser than that one : I speak only French and English! INFALLIBILITY failed to brainwash me when I early saw Christians pointing finger at integralist Catholics who promoted Mass in Latin : I thought to myself, the Q'uran is just the same Latin for me! And as such a strongly westernised Muslim I'm the first to admit, MUSLIMS I meet, are ALL admittedly totally stupid HYPOCRITES, and none of the well established IMMIGRANTS that I know or meet (in My Shia sect, or among North African, in public) is fantasizing the GLOBAL GEO POLITICAL unity that the Modern Jihad promises : it has nothing to do with Muslim Brothers neither which is a historic Nasser Egyptian construct that's nowadays well OUTDATED, and whose fight is dead since 2001! Because MODERN Jihad, is a HALF the product of the War on Terror, in fact!

7) as a result, Conspiratorist and/or Pro Putin emerge but all are wrong and blinded by the Reality, which is a US Lead MUSLIM GENOCIDE since 2001! the US (UN+NATO power) has succeeded in totally brainwashing Europe, not seeing how heavy, arbitrary, is the GEOPOLITICAL abuse of Iran (independently of its internal Religious matter) by the US AND keeping the Economic and Nuclear Embargo on the country is simply full part/motivating their war on Terror! The widespread use of SALAFISM to talk about the islamism supporting armed Jihad, is referring to a theological movement if you look carefully, that has barely no historical ground and certainly no importance to 99% of Muslims! It has LITERALLY been digged out by US Muslim scholars from the history of Saudi Arabia particular Muslim culture/for the benefit of the CIA (!) to manipulate Al Qaeda from its Afghan, Kosovo operation before 2001 as a foe, betrayed and made Official Top Most dangerous International terrorist organisation a PRETEXT of US interventionism in Middle East whenever they want!

8) DIVIDE to REIGN : This "story telling" the CIA is expert at, managed to blind the world on the true historical divide of Muslim is not Salafism or Not it's Shia vs Sunni, and SALAFISM is a western construction

meant to BLIND the world on the DOUBLE abuse of Shia (because they're a minority, traditionally more persecuted by the other, in the Muslim World, than the reverse way around!) by inventing the SALAFIST terror out of the history of Arabia Saoudis/Whahabits...so that the "War on Terror" brainwashed Western crowd, never distinguish and see the existence of a terrorism in which US is (secretly, via secret service operations) complicit with the terrorism born from enraged migrants escaping US lead wars (DAESH) with as turning point, the 2001 Twinn tower attack for which, in my Science career in the UK, I got a PROOF it's a US/Arabia petrol King conspiracy meant to betray Ben Laden and lead to the mess we live in, and just the fact that the Kouachi Bros who attacked Charlie Hebdo and Coulibaly, who attacked Hypercasher Jewish Food Store have claimed acting for Al Quaeda and Daesh, both the motive and target (against Muslim & Jew) points to the fact the TWO operation were NOT concerted, despite what the protagonist said and that the State/press believed in! The weapons used in Charlie Hebdo Shooting, were coming from ex-Yugoslavia black market!

FEMINIST CALL

All that said, it turns out to be timely very important for me to contact people who have known Oksana but I know because of Charlie/US/Islamophobic politic, the movement became a snake pit not aware it's because Charlie are simply Pedophile/Scatology minded and therefore deeply misogynistic, which is exactly like the same problem (but made invisible by Charlie's state supported crusade for Speech Freedom - in fact, a authorisation of insult to muslim whenever you want!) which in modern feminism, make the trans a THREAT to TERFS! This is why I'm DOUBLY stuck : 1) I have no credibility talking about feminism as a born Muslim guy, 2) I cannot trust any ex femem half of them being unaware of the PSYCHO ANALYSIS fact I'm addid to mainstream discourse, ,

but this is what explain straightforwardly the raise of [Margueritte Stern/Dora Moutot](#) (thank SOCIAL MEDIAS, mainly, litterally recuperating /falsifying the "femellité" concept of Nicole Roloens, AN ACADEMIC!). Margueritte, is used after "securing" Ianna, by Caroline Fourest, as a NEW « MARIANE » (Female raising the flag & symbol of French Republic) to consolidate her HIDDEN 'Indentitaire" EMPIRE (a network of racist and islamophobes movements & think tanks) that she constructed and whose VOICE is her journal : "Les Franc Tireurs", showing NOW (after year of carefully crafted « French Laïcité Fights »,) [ties with Livre Noir, clearly extreme right wing supporter](#) of Zymour and Le Pen ! A laicity fight meant to end in a contradiction, as sate aknowledge (and that's the glitch : via COURT CASES with a untold CONSTITUTIONAL DIEMENSION that are in fact heavily POLITICALLY BIASED TRIALS) for a right to insult all religions, according to Charlie « quite loudly expressed » Dogma, i.e make of Laicity the FRENCH REVOLUTION DREAM of (science only) ENLIGHTENED (in the 18th century sense) a Atheist Dictatorship, loosing in fact the « freedom of consiousness » guaranteed by Laicity and necessary for Social cohesion, religion being litterally taken out the « counsiousness » = public discussion sphere, as being implicately outdated by the FRENCH REVOLUTION VALUES finally WINNING in the 20th century, raised above religious BELIEFS, all despised PUBLICALLY with the limit reached, with the present Israel Palestine war inducing turmoils in all Jewish and Muslim families, lost by « laicity fascist » ! Who won what ? **12 apostles of a stupid (psychologically childish) fight in a terrorist attack they ATTRACTED by « philosophical » PROVOCATION, followed by two French teacher that could have been avoided with less EYES WIDE SHAT and more fair debates connecting Charlie problem to the Veil problem and conclude taken together : THESE ARE far BEYOND LEGAL ISSUES, IT's MORAL (i.e, necessarily « religious ») grounded issues adressing SEXUAL TABOOS that require Reigious authorities to**

be involved but that got CENSORED in = by the increasing TEK ruled France corrupting its Science on which FRENCH REVOLUTION values rely on... !

So the mind blowing theory i finally come to, is through the PRISM of FEMINIST debates becoming deb-hates and considering fair view of muslims, modern western ISLAMOPHOBIA is confirmed to be essentially a MASS MEDIA construction not threatening FEMINISM AS MUCH AS TRANSPHOBIA so THE PARADOXICAL CONCLUSION, is that FEMINISTS should FIGHT with MUSLIM intersectionally against TRANS ! The vicious ISLAMOPHOBIC slope feminism is taking (oversized by western preconception/control) that Marguerite Stern want to become an Icon of, is killing/raping FEMINISM from its liberatory impulse, transforming it, with Eugenic discourse totally allowed on uncontrolled SOCIAL MEDIA full of « self proclaimed » expert (of female sexuality, for Dora Moutot and her popular instagram account & cheeky books, a pot pourri of Web Junk), into a (state complicit – porno - minded) Fascism! a 10 years hidden trend almost nobody has noticed, ABSOLUTELY INSANE!

... literally (what NOBODY SEES! Blinded by the status of iconic victim of islam terror) thanks to Charile Islamophobic Justice + State protected total impunity of GENERALISED + FASCIST ISALMOPHOBIA (the increas of police violence cases in suburbs), SPREADING AS STATE PROPAGANDA inside SCHOOLS shutting the mouth of all moderate or dissident muslims (like me that are numerous) victim AS the FEMINIST of this Massacre and (US lead) Fascist game that France STUPIDLY copies, since 11 Sept 2001!

All that said, I therefore hope the deepest in my heart, you are the right XXXXXX YYYYYY and if it's the case... who will straight understand and confirm it to me!

Othirwise, I prufondly apologise, if i have created any confusion, I hope you'll welcome what I say with open mindeness, make researches and feell free to ask more and engage in a thoughtfull correspondance!

Best regards

for more about me, I left UK science in 2015 because i understood things bigger than what Assange leaked, but it's about quantum physics computers proving Amazon Boss into a Nuke production international corruption! so I cannot communicate it, but I created a secret army of people aware that is about to get revealed!... I made an underground fight i parallel to a reconversion as a math teacher in france but got again heavily discriminated and managed to be send on a long sick leave so that "nobody bother me"....

ONLY FEMINIST ART can SAVE FEMINISM FRO POLITIK!

I've developped one, SEXTREMIST inspired, that cannot be "published" because its collages including loads of copyrighted picture AND pornographic content (!!!), the novelty, is to do mosaics using TRANSPARENCY : the result is stunning, and will put the only true and main enemy of FEMINISM down : the massive (US lead, again, what a surprise!) PORNOPROSTITUTION!
